An exploded view diagram of the 1000 Series Drainage System components, arranged vertically from top to bottom:

- Top Plate:** A square black plate with a circular cutout in the center, featuring two white curved arrows indicating a clockwise rotation.
- Drainage Plate:** A square black plate with a circular cutout in the center, featuring a small circular logo.
- Drainage Body:** A cylindrical silver-colored component with a black top flange and a black bottom flange.
- Drainage Cover:** A square black plate with a circular cutout in the center, featuring a small circular logo.
- Drainage Ring:** A circular black ring with a small circular logo.
- Drainage Base:** A circular black plate with a circular cutout in the center, featuring a small circular logo.
- Drainage Outlet:** A cylindrical black component with a flared top and a threaded bottom.
